## Hey there Good Lookin'!

No, I can't see you, but you found your way to this site so you must be good looking and smart.

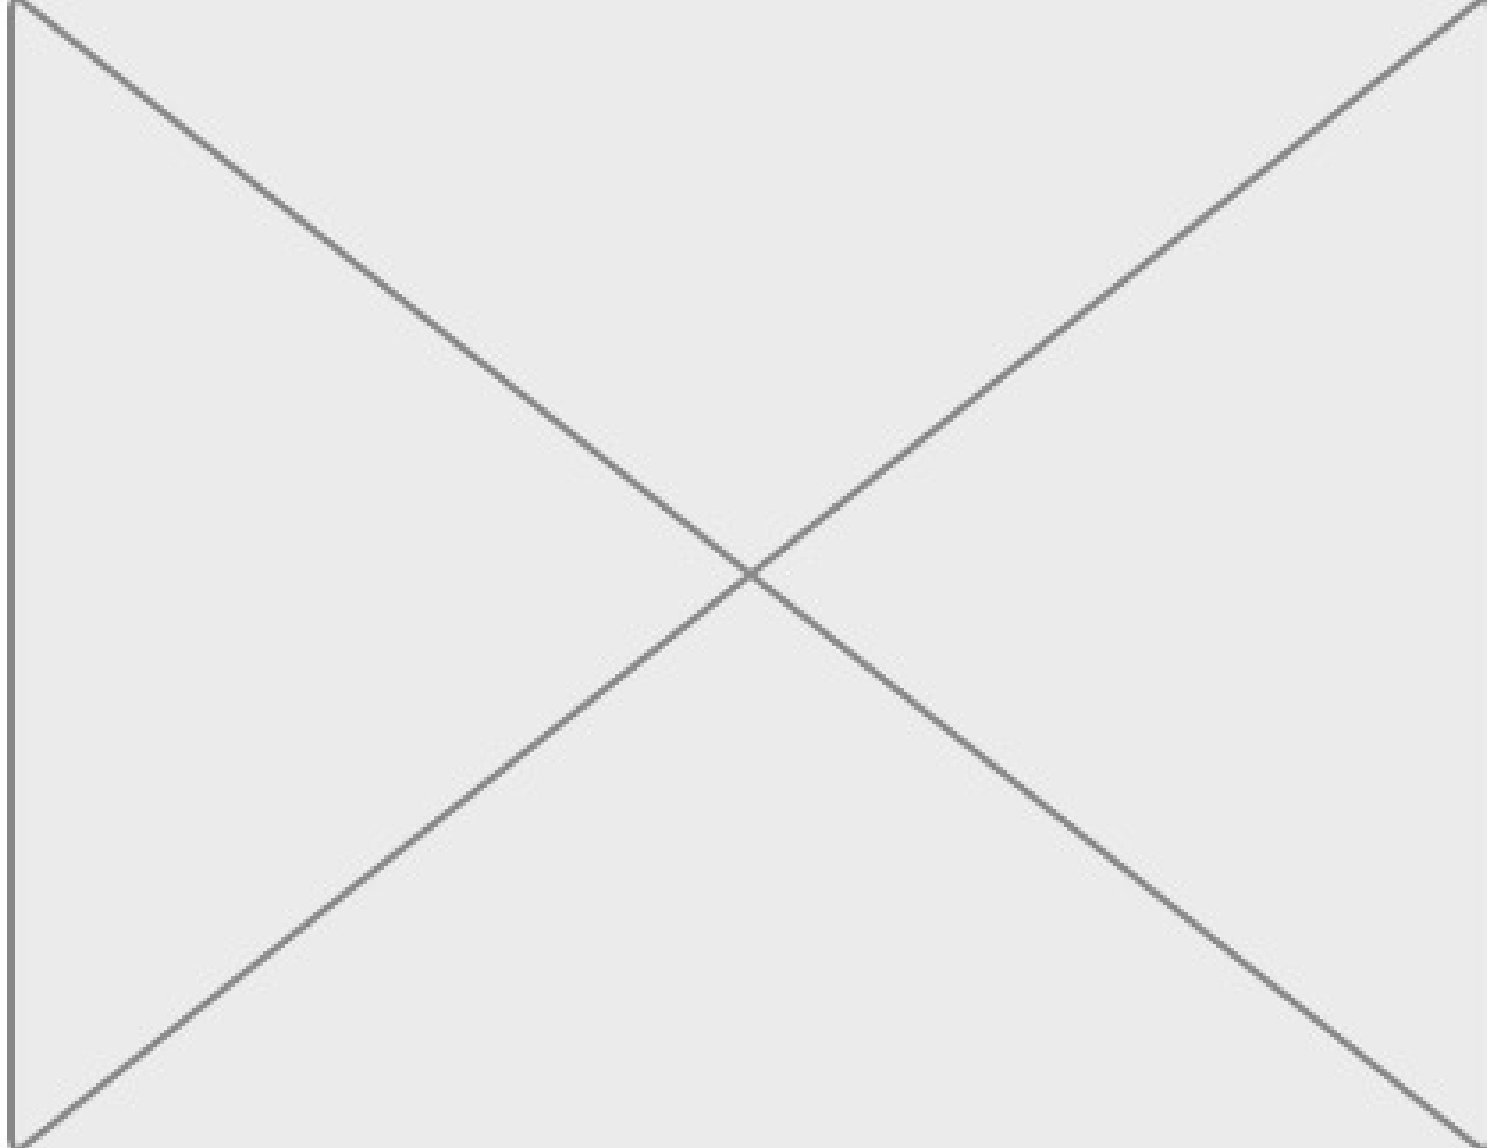

## Launching a new site or app? Awesome.

Now it's time to get your site connected to all the other sweet apps out there. That's where we come in, bringing you all the APIs EVER!

Hey you social media mogul you, don't forget to tell all your adoring followers about our legendary services

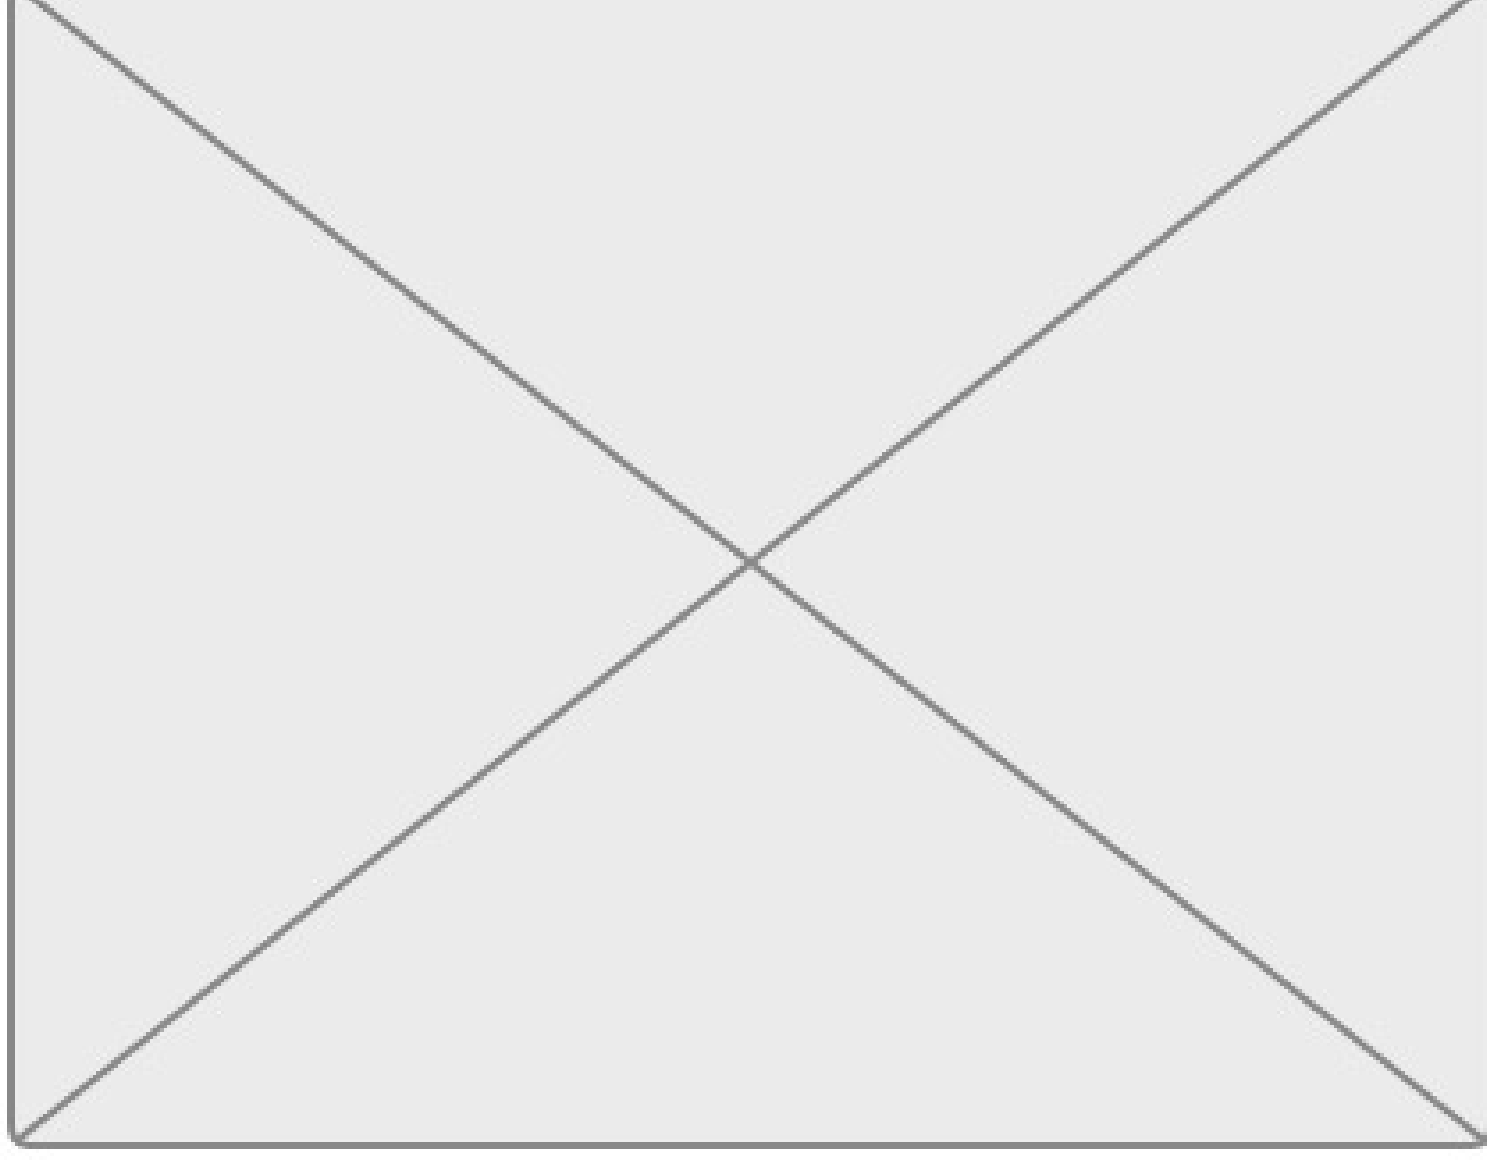

(image of person w/ computer and cell phone)

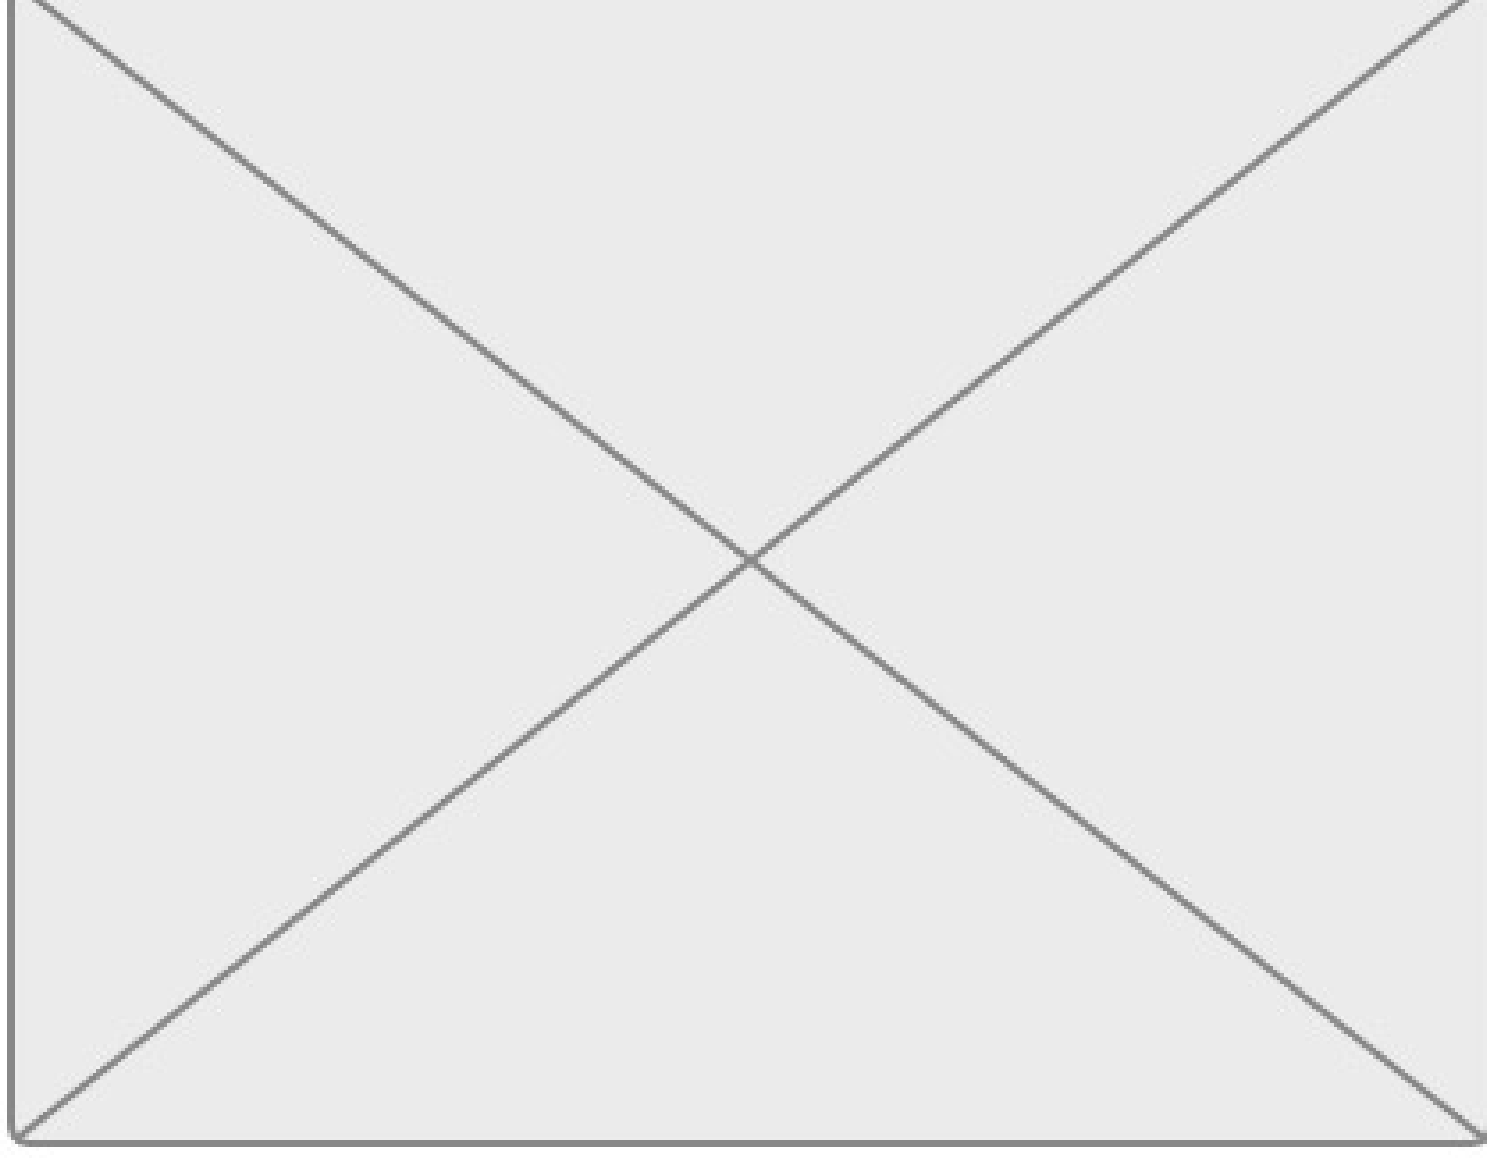

We know you're busy juggling life

(image of guy standing in field)

When you'd rather be contemplating life in a field somewhere

(image of money & watch)

Save time, get APIs!

We can save you time, and MONEY by saving you time. Here see for yourself.

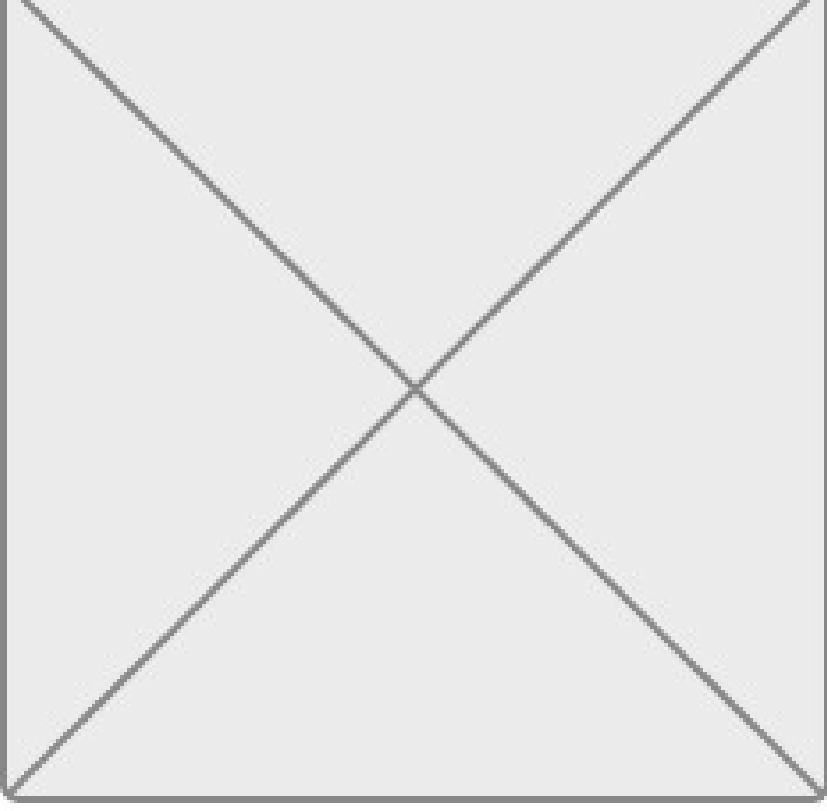

That's right, we have ALL THE APIs, ALL THE TIME!

## Features

The API Superstore provides a catalog of third-party APIs that you can use to enhance your business. We provide a list of ALL the services your customers expect and save you the time and money (kind of) on sorting it out yourself! The longer you wait, the longer you're not making more money and pleasing users.

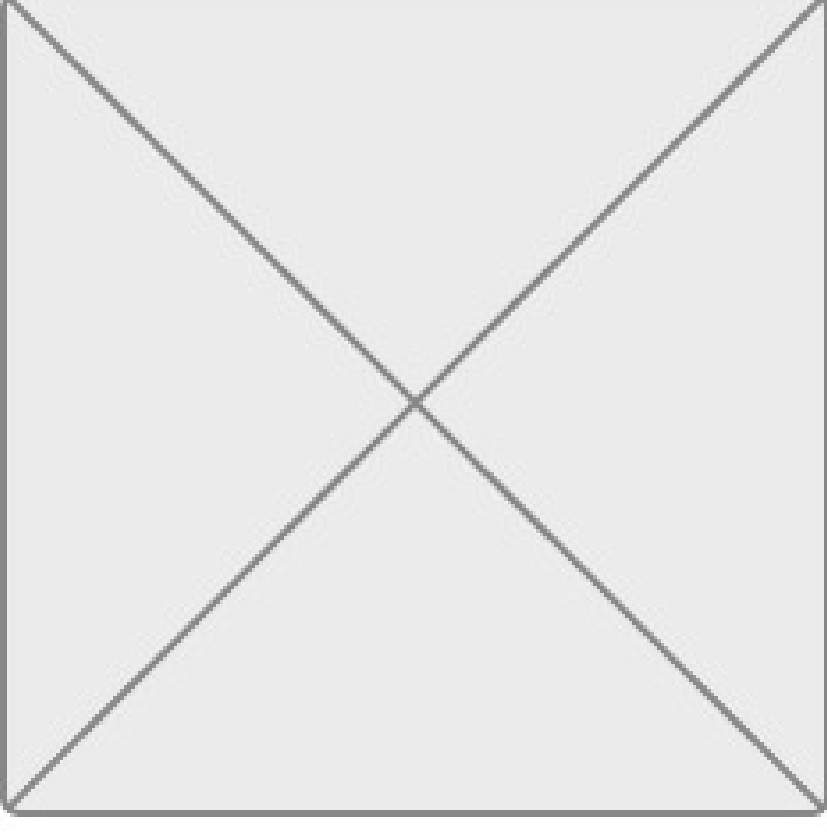

## List of Features!

(image of bee)

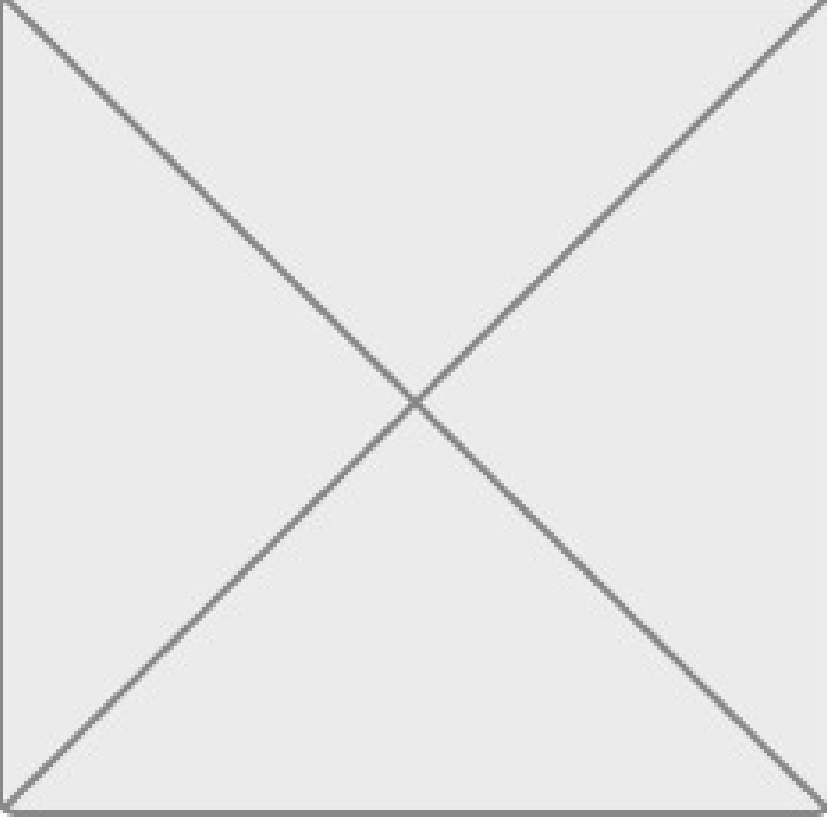

Links to the best APIs from all over the web!  
  
(Just to be clear, by APIs we mean Application Program Interfaces, not the honey bees, in case you hadn't figured this out yet.)

(image of livestock)

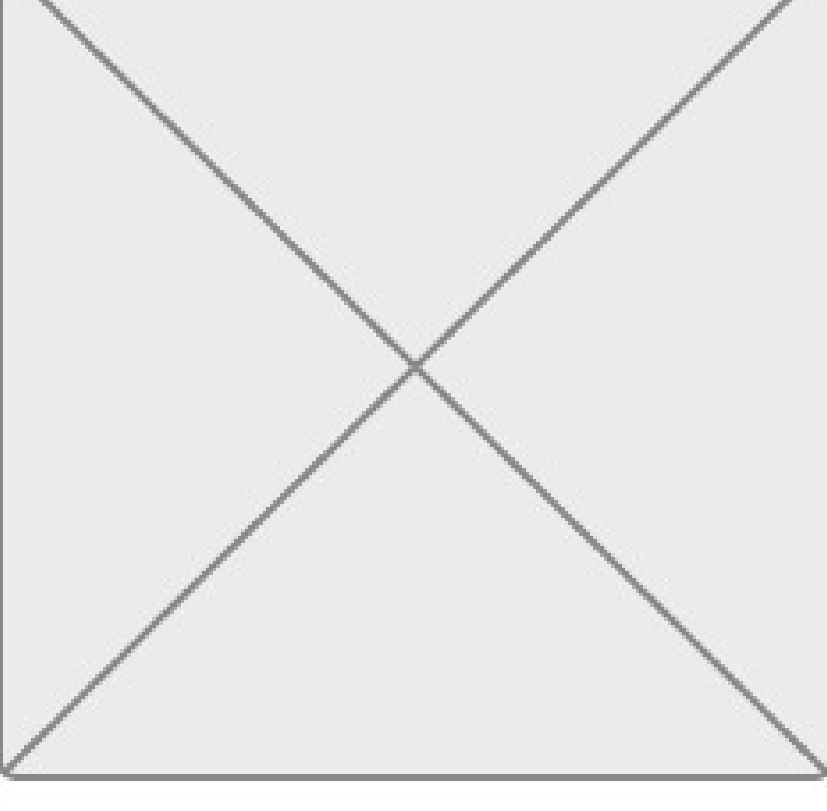

Pay with credit, check, IOU, wire transfer, PayPal, or livestock trade!

(image of old school library catalog)

Convenient catalog!

(image of bicycle, bc it's hipster)

Elegant shopping experience!

## Testimonials

Still unsure? Really? Well here, check out what these other awesome people had to say, seriously, we couldn't make this stuff up

(Hopefully have rotating testimonials here, if I can figure out how to do that)

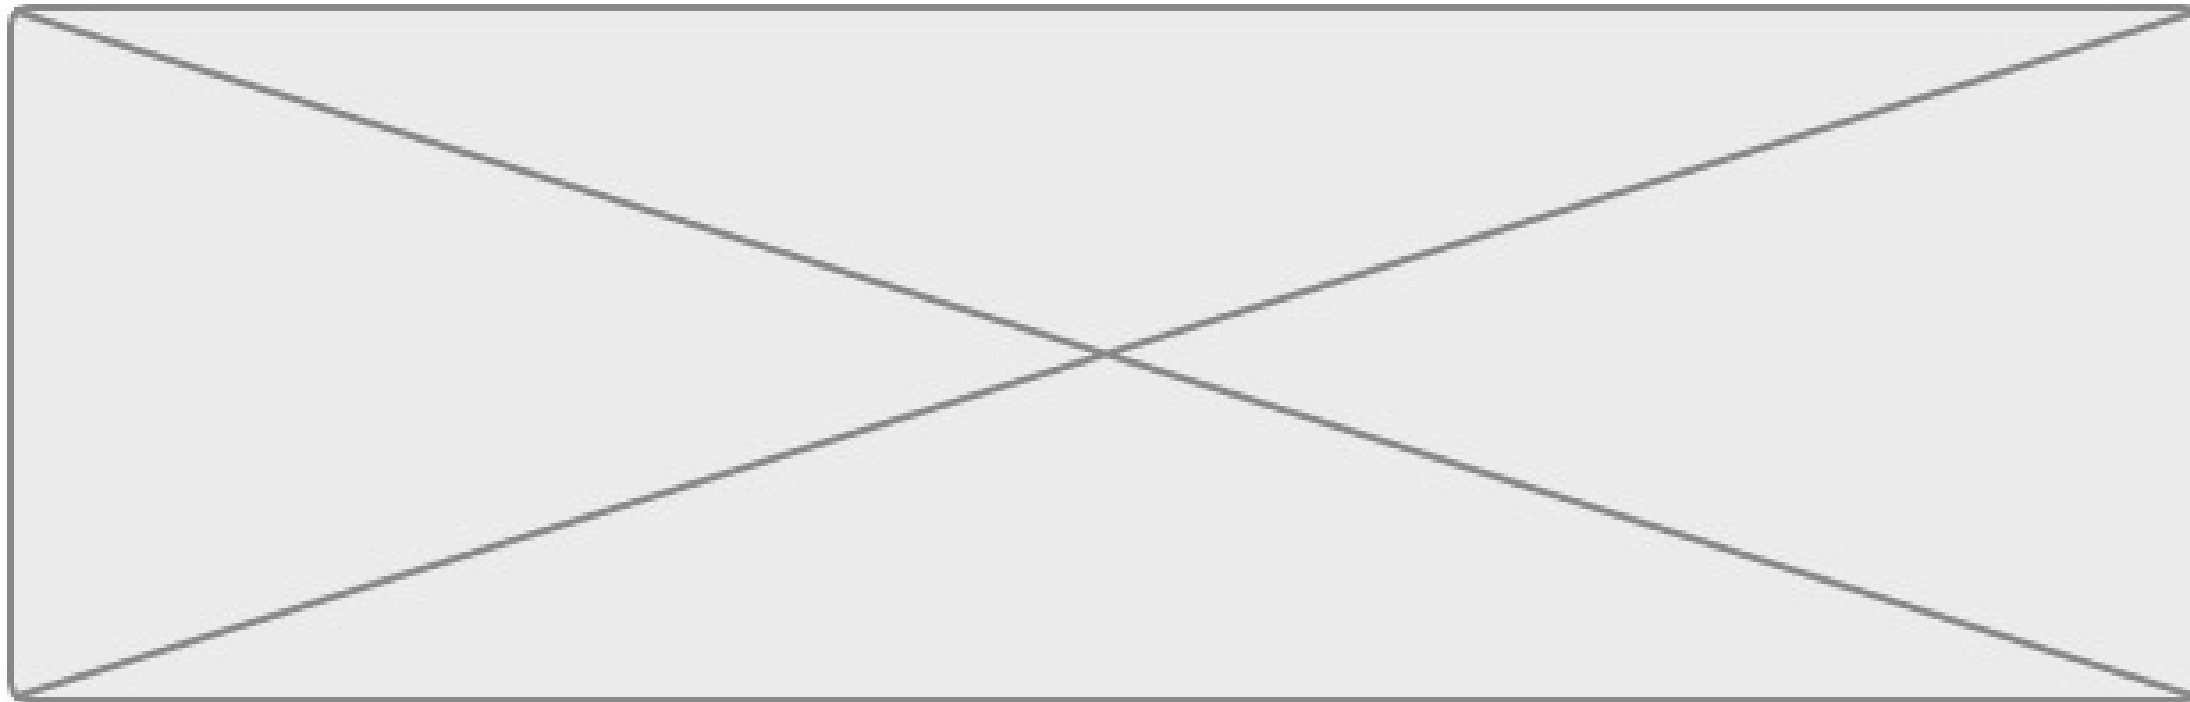

You know you want the hottest third-party services and features. So get started today!
